Re: Westminster Securities Corp., et al. v. Uranium Energy Corp., et al.
Case No. 1:15-CV-04181-(VM) (GWG)

Dear Judge Gorenstein:

On May 12, 2017, the Court issued its Order in the above-captioned action (Document # 79), granting in part plaintiffs' motion for reconsideration of its previous Order (Document # 72) relating to the plaintiffs' service of a new or amended expert report. In its May 12 Order, the Court established deadlines for the submission of a rebuttal report by defendants' expert (May 19, 2017) and the completion of the experts' depositions (June 19, 2017). In that Order, the Court directed the parties to seek an extension of those deadlines pursuant to paragraph I(E) of the Court's individual practices if that schedule was inconvenient.

① The parties, through counsel, have agreed, and jointly request that the Court extend the
+ deadline for the submission of defendants' expert rebuttal report to June 16, 2017. Defendants'
expert has advised counsel for defendants that he cannot complete the rebuttal report by May 19,
② 2017, and that he will be on vacation from May 22, 2017 through June 9, 2017. The parties have
further agreed and jointly request that the Court extend the deadline for the completion of the
expert depositions to June 30, 2017. Subject to the Court granting such extension, the parties
have scheduled the depositions of the experts for the week of June 26, 2017.

The parties jointly and respectfully appreciate the Court's consideration of this request.
